Contact Your League

We encourage all public to contact their league directly to purchase their memberships. The spirit of community is contingent on getting to know your neighbours and Community Leagues are one great place to do that! If you need a telephone number that isn't listed in the league directory or on the Community League website, please call EFCL and we will help you track down one of your League Volunteers.

To purchase Community League Memberships online, you must first identify your Community League by using the postal code lookup tool on the right hand side of this page. After you identify your League, click on the "Purchase Membership online" link to be taken to a listing of

Purchase Community League Memberships online from August 15!

We encourage you to contact your league directly for your membership. If you need your card immediately, this is only distributed by your league.

This store provides a receipt only - leagues are notified of the purchase and should forward you a card in a timely fashion. The receipt should be accepted for program registrations until you receive your card.

BE REMINDED: Hockey registrants pay a Community Corporate Community League Fee through their hockey registration process and should obtain a receipt to use with the league to get your membership. Please ask for one. **DO NOT BUY HERE ONLINE.**

For more information please [read this article](#)

Ringette will accept online receipts for proof of payment for Community League Membership.

If you need a membership immediately, please contact your league

([find info in our directory](#)) or contact our office
